

## **Join Us!**

On April 17, 2010 Woodstock Early Learning Center (WELC) is hosting our 6<sup>th</sup> annual **Little Hands, Big Hearts** fundraising dinner and auction. We need your support to make a difference in the lives of children and families in our community. WELC (a division of Woodstock Christian Life Services, a 501(c)(3) not-for-profit organization) cares for 150 area children as an early learning center with before and after school care and fun summer programming. Many of these children are from under-resourced working families who require financial assistance. In 2009 Woodstock Christian Life Services supplemented more than \$60,000 in tuition costs.
